

How to Connect to CDNIS_WIFI (Staff)

For Staff Macbook:

1. Connect to Wi-Fi
"CDNIS_WIFI"

2. Login (Same as your printing credential)
and make sure "Remember this network"
is checked.

3. You are now
successfully connected.

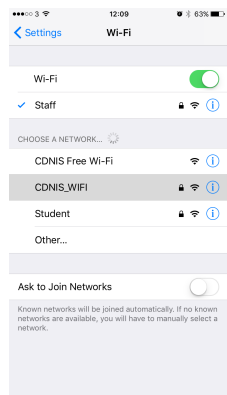

How to connect your registered devices (For Teacher's iPad / Staff's mobile devices)

If you are currently using "CDNISMobile" Wi-Fi network, There is **NO NEED** to change anything. You can keep on using "CDNISMobile" with this device

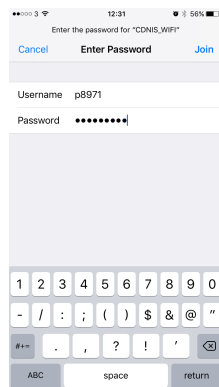

If you are currently using "Staff" Wi-Fi network, follow the below steps and change it to "CDNIS_Wi-Fi".

For iPhone/iPad (iOS) Platform:

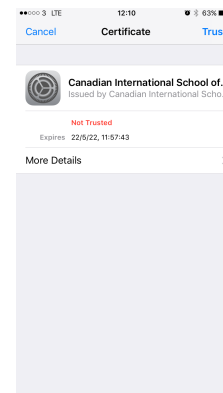

1. Connect to Wi-Fi "CDNIS_WIFI"

2. Login (Same as your printing credential)

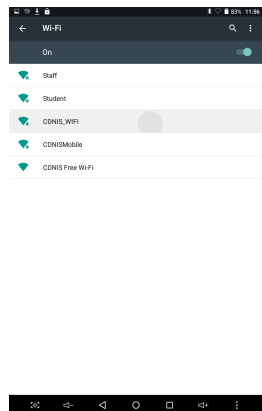

3. Click Trust and you are now successfully connected.

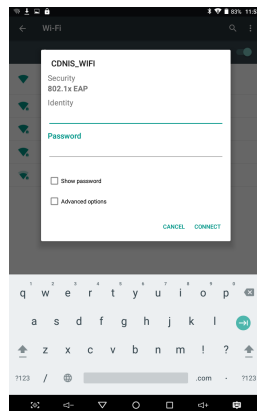

For Android Platform:

1. Connect to Wi-Fi "CDNIS_WIFI"

2. Login (Same as your printing credential)

3. You are now successfully connected.
